Sir,

Subject.- Creation of a Senior Health Inspector's post and a Junior Health Inspector's post to Kadur and Tarikere Municipalities respectively instead of the posts of the Junior Health Inspector and Senior Health Inspector respectively, sanctioned sanctioned to these Municipalities

---

In continuation of my letter of even number dated 6th May 1948 referred to in your letter No L 17196 dated 29th May 1948 in connection with the proposal to grant the privilege of electing a non-official present to the Municipal Council, Kadur, I have the honour to forward herewith a copy of letter No C E 4-2624 of 47-48 dated 14-6-1948 received from the Director of Public Health in Mysore, Bangalore, on the above subject and to state as follows

1. As regards the particulars called for in your letter dated 29-5-1948, it may be stated that the views of the Municipal Council have not so far been received from the President, Town Municipal Council, Kadur, who has been reminded in this behalf

2. It is reported, in his letter No C R 324/47-48 dated 8th June 1948, by the president that the Town Municipal Council, Kadur, have resolved on 31st May 1948 to appoint a Senior Sanitary Inspector A copy of the said resolution is enclosed herewith It is further reported that the work of the present junior Sanitary Inspector is not at all satisfactory and that therefore this official may be transferred and an experienced and competent Senior Sanitary Inspector may kindly be posted to this Municipality as resolved by the Municipal Council.

3. In this connection, it may be mentioned that Government were pleased to permit the Municipalities with an income of above Rs 10,000/- per annum to appoint Sanitary Inspectors in grade

P.T.O.

in grade Rs 35-2-55-4-87 which is since revised (vide G O No L 8891-8902-M1 199-35-5 dated 20th May 1946) still, according to the sanctioned scale of establishment, the Municipality was appointing a Junior Sanitary Inspector

4 Regarding the creation of a Junior Sanitary Inspectorss post to the Tarikere Municipality, it is reported by the president Town Municipal Council, Tarikere, that the Council have resolved on 3-6-1948 to appoint a Junior Sanitary Inspector instead of the Senior Sanitary Inspector from 1-7-1948 The Director of Public Health has intimated that it is not possible to post a junior Sanitary Inspector to Tarikere Municipality in view of the Government Order referred to above.

5 It is further resolved by the Town Municipal Council, Tarikere, on 4-7-1948 that Government may be requested to permit them to appoint a Junior Sanitary Inspector in view of the fact that the financial position of the Municipality xxxxx is not up to the mark and in view of the fact that a first grade Chief Officer has been posted to the Municipality It seems to be reasonable that this Municipality may be given the option to appoint a Junior Sanitary Inspector according to the resources of the Municipality in view of the grounds put forth substantiating the proposal A copy of the said resolution is also enclosed herewith for kind perusal of Government

6 In the foregoing circumstances, I request you kindly to obtain the kind orders of Government to the proposals of the Kadur and Tarikere Municipalities and kindly to address the Director of Public Health in Mysore, Bangalore, to make the necessary postings
